

Product groups

Mechanics

The product group mechanics comprises a variety of products – from castings to forgings, gears and rollers. Below you will find an overview of the components we require:

- Gears – Extruder gear boxes
- Gears – Geared motors
- Gears – Worm gear screw jacks
- Round-section rods (nitriding steel)
- Welding constructions
- Forgings – Seamless rolled rings
- Forgings – Open die forgings
- Machined parts (turning, milling)
- Rollers – Heating cooling rollers
- Rollers – Web guiding rollers
- Castings (low part weight)
- Plates / bars – Ferrous
- Plates / bars – Non-ferrous

Equipment

The product group equipment comprises products such as dosing units and peripherals. Below you will find an overview about the components we require:

- Co-Extrusion
- Conveyor / Dosing units
- Peripherals for downstream thermoforming sheet

Electrics

The product group electrics comprises a variety of products – from motors to control cabinets and controllers. Below you will find an overview of the components we require:

- AC motors
- Frequency converters
- Servo-motors
- Band heaters / Heating-cooling units
- Controllers
- Control – cabinets & equipment
- Control – cabinet cooling units
- Low voltage components
- Cables / Cables pre-assembled
- Sensors – Pressure
- Sensors – Temperature

Hydraulics & standard units

The product group hydraulics & standard units comprises a variety of products – from pumps to chains and gaskets. Below you will find an overview of the components we require:

- Pumps
- Valves
- Hoses / Screw couplings
- Hydraulic cylinders
- Standard units – Fixing elements
- Standard units – Profile systems
- Standard units – Bearings & Linear lines
- Standard units – Chains
- Standard units – Gasket

General goods & services

The product group general goods & services comprises external services, IT and consumables. Below you will find an overview of the components we require:

- Assembly / Installation services
- Transportation / Packaging services
- IT hard- and software
- Engineering services
- Consumables
